CERTIFICATE OF MAILING

I hereby certify that this correspondence and the identified enclosures are being deposited with the U.S. Postal Service as first class mail, postage prepaid, in an envelope addressed to: Office of Initial Patent Examination's Customer Service Center, Assistant Commissioner for Patents, Washington, D.C. 20231 on October 17, 2001 by Kristin Freebairn

Assistant Commissioner of Patents
Washington D.C. 20231Attention: Office of Initial Patent Examination's
Customer Service Center**REQUEST FOR CORRECTED FILING RECEIPT**

Dear Sir:

This is with respect to the official filing receipt dated August 13, 2001, concerning the above-referenced patent application, a copy of which is enclosed.

We have reviewed the official filing receipt and have noted an error in the filing date. The filing receipt should reflect the correct filing date of June 19, 2001 and not June 20, 2001 as set forth in the enclosed filing receipt.

Section 1.10(a) provides, in pertinent part:

Any correspondence received by the Patent and Trademark Office (Office) that was delivered by the "Express Mail Post Office to Addressee" service of the United States Postal Service (USPS) will be considered filed in the Office on the date of deposit with the USPS.

Serial No. 09/884706

Page 2

The date of deposit with the USPS is shown by the "date-in" on the Express Mail" mailing label or other official USPS notation.

37 C.F.R. § 1.10(a) (emphasis added).

Pursuant to 37 C.F.R. § 1.10, the application was deposited with the U.S. Postal Service "Express Mail Post Office to Addressee" service, Express Mail Label No. EL687781043US, addressed to Box New Patent Application, Assistant Commissioner for Patents, Washington D.C. 20231 on June 19, 2001. A copy of the Express Mail label is attached. Although the USPS has neglected to fill in the "Date-In" box, an official stamp of the USPS shows that the express mail envelope was checked in on June 19, 2001. The official stamp is positioned directly below the express mail label number and is in red ink. The stamp has a circular design which reads "Contract Station #330, Los Angeles, CA 90067." In the center of the circle, also in red ink, the stamp reads "JUN 19, 2001," which is the date that the express mail envelope was deposited with the U.S. Postal Service.

The USPS stamp is an official USPS notation reflecting the date that the express mail envelope was deposited. Under rule 1.10(a), the date of deposit can be shown by an official USPS notation. The USPS stamp shows that the express mail envelope was deposited with the USPS on June 19, 2001. Accordingly, pursuant to rule 1.10(a), the application should be considered filed with the PTO on June 19, 2001, the date of deposit of the Express Mail envelope with the USPS.

Applicant respectfully requests correction accordingly to reflect the correct filing date of June 19, 2001 and a new filing receipt issued.

Respectfully submitted,

Dated: October 17, 2001

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

PLEASE NOTE the following information about the Filing Receipt:

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 500 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."
- The title is recorded in sentence case.

Any corrections that may need to be done to your Filing Receipt should be directed to:
